10/25/17	Went over the project with my mentor. Sat through the PR's 5 month build up presentation.	12:45 pm-3:30 pm	I was able to learn about press releases and upcoming plans for Taco Bell.	
11/9/17	Meet with the PR of Taco Bell one on one and gained information about what she does during the opening of a new location.	1:10 pm-2:30 pm	I was able to learn a key component to my learning process during that time.	
11/13/17	I sat through the ET (executive board) meeting, which involved the CEO, CFO, COO, CDO, CMO, etc.	1:15 pm-3:30 pm	I learned a lot about what happens in a meeting when people pitch new ideas, go over sales, and new locations.	
11/14/17	I met with the international team. Started with the head of marketing, then to the head developer, then the head of the food source, and then back with the PR.	11:00am-3:00pm	This was by far the most important day of my internship. I got an insight on everyone's job who was apart of the international team.	
3/5/18	Met with my mentor at her office.	3:30pm-4:30 pm	Showed her my final product, such as my website, powerpoint, process essay, etc.
